

**U-18-11**

**2018 AGM Resolution:**

**Mover: Dalhousie**

**Subject: By-Law enforcement officers**

---

**Whereas** the majority of Villages, Towns, LSD, Rural Communities, and Regional Municipalities do not have a By-Law Officer; and

**Whereas** this is a dilemma for enforcing municipal rules and regulations,

**Be it resolved that** UMN propose the creation of a specialized agent or officer for bylaw enforcement, whether through Sherriff Services or hired by the RSCs, to be funded through a tax to the above municipalities and available to the above municipal bodies at a reasonable hourly rate.
