

Regional Development Corporation

Program Overview Presentation

May 2019

Regional Development Corporation

The Regional Development Corporation is the provincial Crown Corporation that plans, coordinates and implements regional and economic development initiatives for the Province of New Brunswick.

Our Mission

- ❖ Working in partnership to support the development priorities of New Brunswick.

Our Mandate

- ❖ Established under the *Regional Development Corporation Act*.

Current RDC Responsibilities

Manage Funding Programs

Manage Agreements

Manage Assets

Managing Funding Programs

Guiding Principles

- Application Process;
- Projects are evaluated using guidelines;
- Alignment with provincial strategy and/or priorities;
- Generally non-repayable contributions;
- Funding contribution will only be a percentage of the overall project cost;
- Reimbursement on a claims basis.

Questions To Participants

- How does the mandate of your organization fit with the mandate and programming at RDC?
- Are there any gaps in the RDC programming that your group has identified? How can they be addressed?
- How can your organization engage in regional discussions on priorities and needs?
- What criteria should be utilized in setting infrastructure spending priorities? What outcomes can/should be measured? (For Municipalities Only)
