

GROUND ENGAGEMENT PROGRAM

The right blade for any job.

Regardless of whether you need ground engagement tools for construction, maintenance, or snow removal, the UMNb Ground Engagement Program has your back with high-quality products and preferred pricing.

HOW IT WORKS

1. Contact the supplier with your needed specifications.
2. The supplier will provide pricing based on the agreement.
3. Confirm your purchase.

PROGRAM BENEFITS

- ◆ Access to huge selection of grader blades and other ground engagement tools for all situations
- ◆ Transparent pricing with day-to-day discount prices and further reduced prices on bulk orders
- ◆ Reduced price fluctuations
- ◆ CFTA and CETA compliant
- ◆ Reduced administrative burden
